THE 1960 RED AND GREEN
JAMESTOWN HIGH SCHOOL
JAMESTOWN, NEW YORK

The J.H.S. Alma Mater

MILTON J. FLETCHER, *Superintendent Emeritus*

(Tune:

Believe Me If All Those Endearing Young Charms)

Alma Mater, thy name in honor we hold,

J.H.S., thou art dear to us all;

Swell the chorus of song, let thy praises be told

While together school days we recall.

The old study hall shrines, the joys of youth,

'Tis the place where the "school spirit" bides —

The sprite that wrings jest from the gravest of truth,

And cheers us whatever betides.

And still, J.H.S., in the years that shall be,

Thy scenes will crowd memory's hour,

The class room, the "Gym", the old willow tree,

E'en the clock that keeps watch in the tower.

Thy boys and thy girls, thine today and for aye —

Spite of changes old time shall have seen —

We'll stand for the right, for the honor we'll try

Of our colors, the Red and the Green.

You are gone, dear old school, yet there stands in your
place

One that makes our hearts quicken with pride,

But you've left inspiration time ne'er can efface,

And with us you will always abide.

For your spirit lives on, the old school in the new,

As a seed lives again in its flower —

The old willow still whispers to us to be true

And the clock watches us from the tower.

FOREWORD

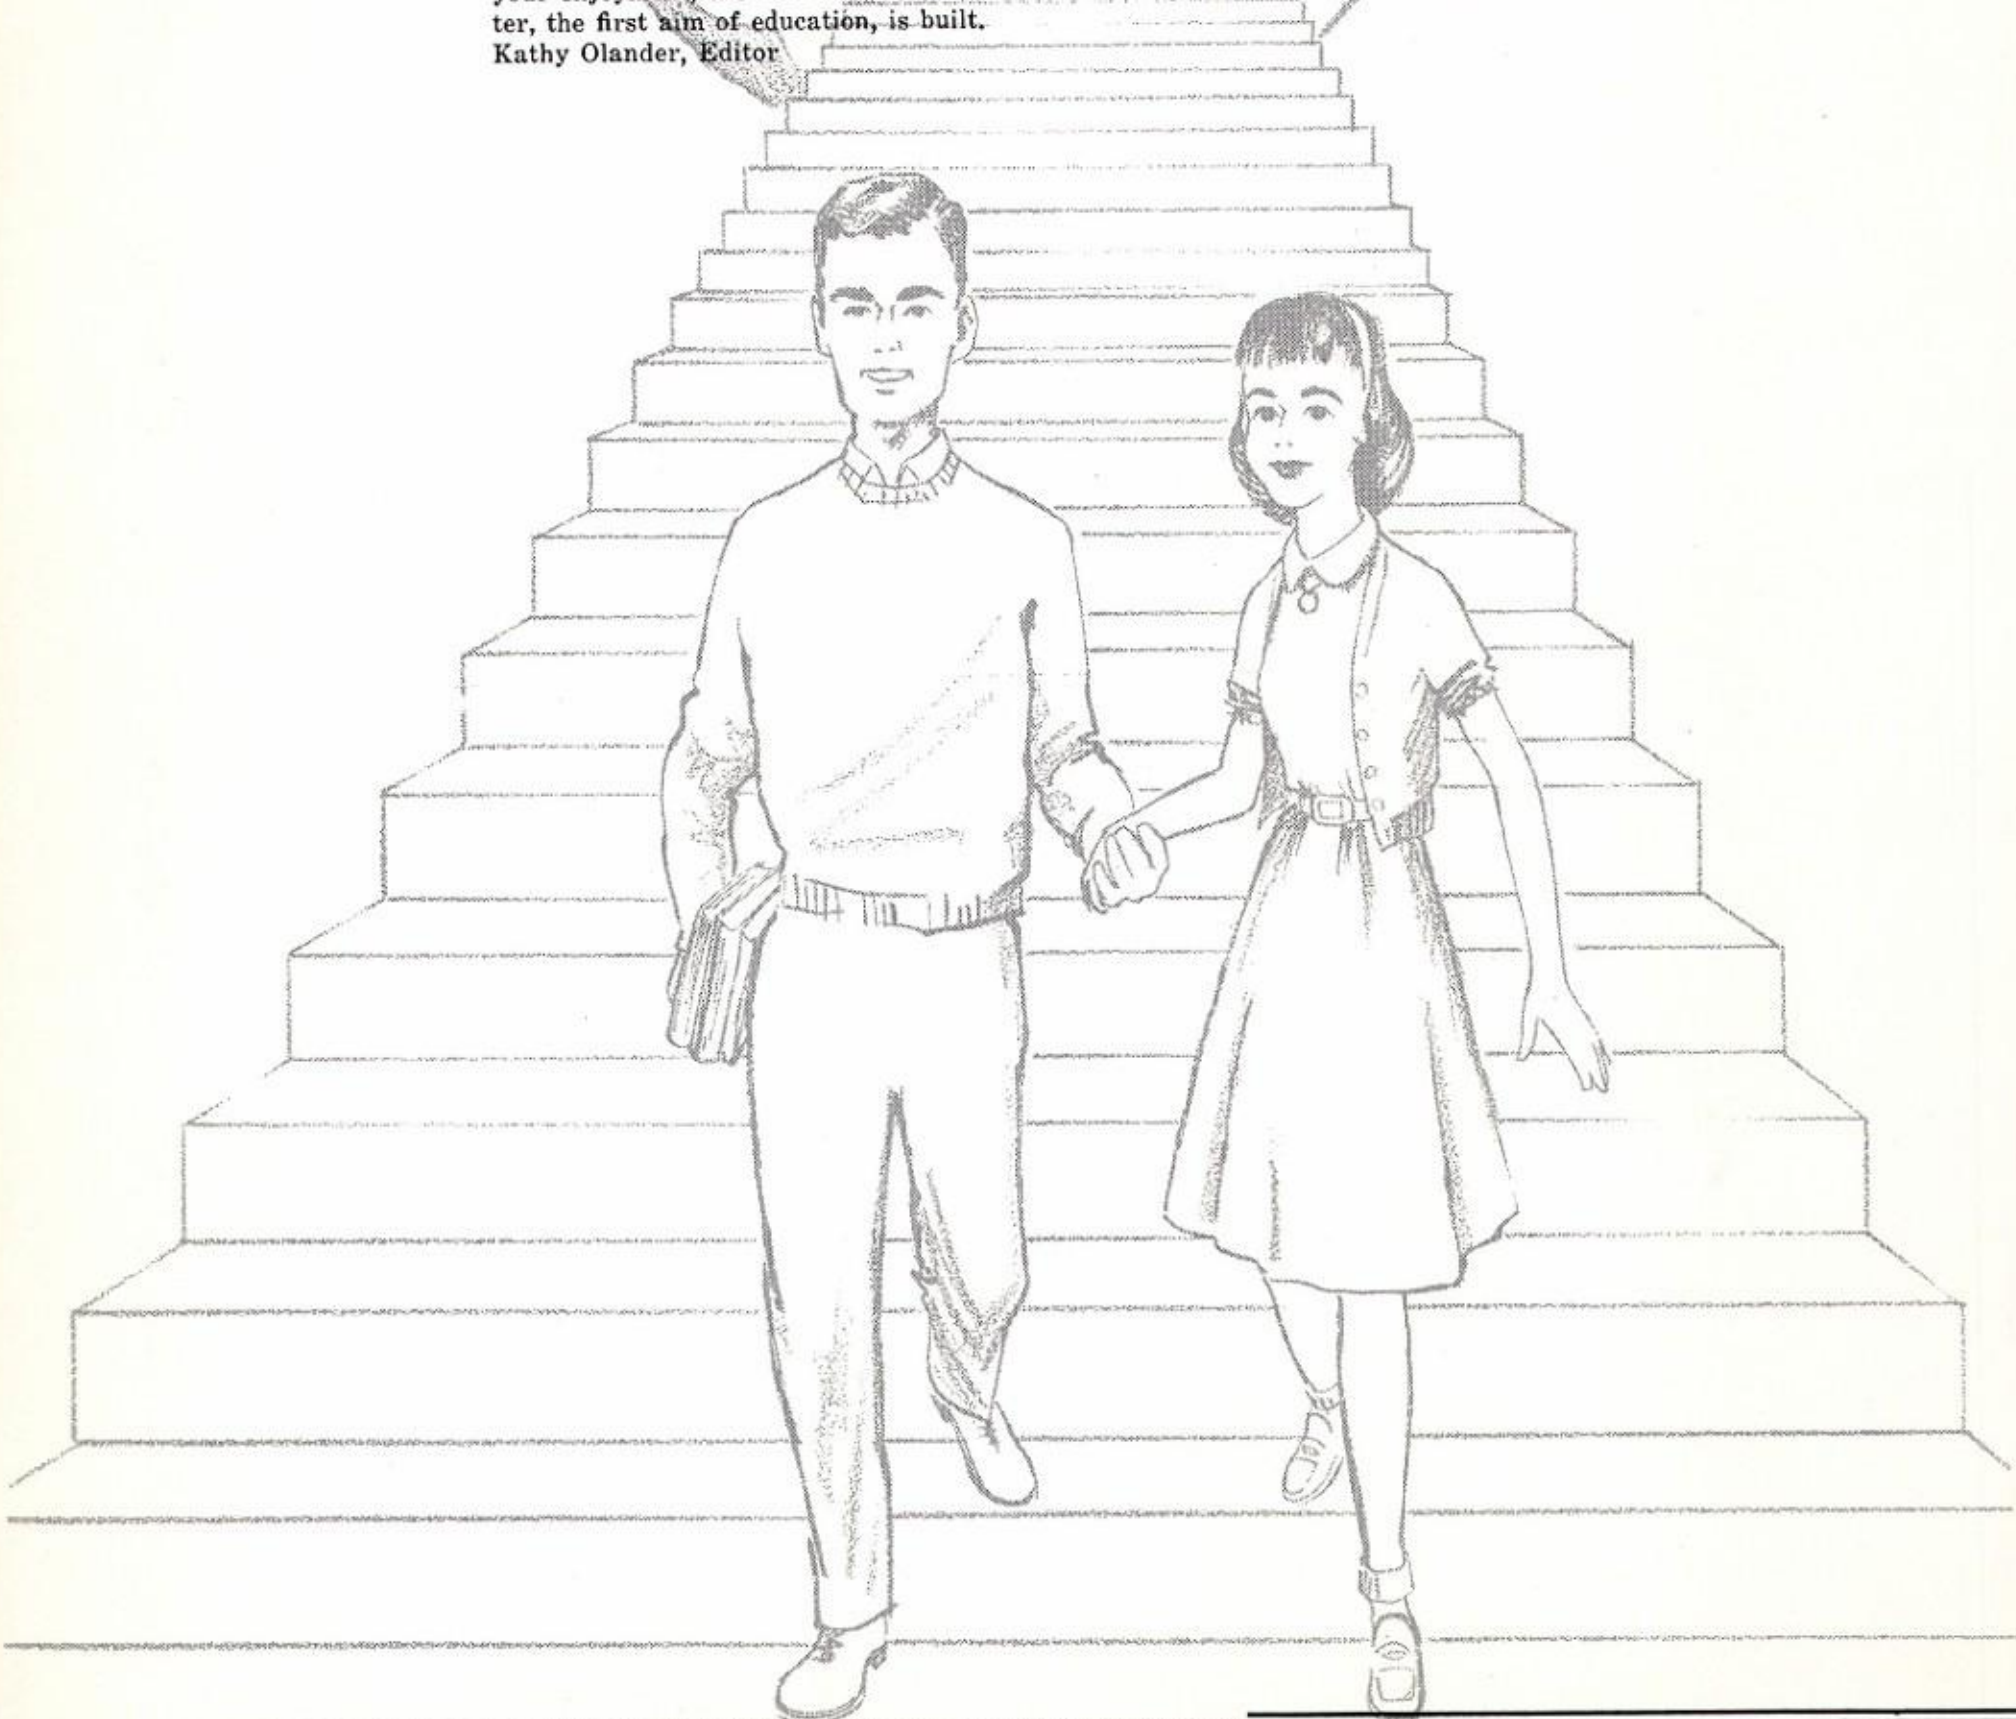

JHS BUILDS CHARACTER

"Character is the first aim of education." You have probably noticed this quotation over the stage in our own JHS auditorium, and you have also stopped to think about its meaning. Character is a quality necessary for the development of a well-rounded personality and a good reputation. High school offers this type of opportunity to a student through the curricular as well as the extra-curricular activities.

The theme of the 1960 *RED AND GREEN*, "Character is the first aim of education," has been carried out through the layout, the pictures, and the copy. The faculty, being first, represents the foundation necessary for the gaining of knowledge which contributes to the attainment of character. Next, the underclassmen appear, followed by the many organizations and athletic activities which play an extremely important role in the building of character. After gaining knowledge and participating in such activities, a person may become eligible for membership in the honor societies. Finally, the ultimate goal is reached in a person's high school career. He has become a senior. He has attained character and gained knowledge and understanding which will help him in his future life. After commencement, each person will make his own decision as to how he will further develop his character and education in the ways of the world.

Your *RED AND GREEN* should serve as a memory book, as well as a reference book. Many times you will wish to identify someone and turn to your yearbook for the answer, or you may desire to recall the organizations to which you and your friends belonged in high school. Surely you will spend many enjoyable hours looking through your old yearbooks, bringing back pleasant memories of your high school life. For your enjoyment, the 1960 *RED AND GREEN* offers you an illustration of how character, the first aim of education, is built.

SOPHOMORE CLASS HISTORY

Following its motto, "Moving Forward As One," the class of 1962 began its unified journey through the halls of Jamestown High School with 256 boys and 220 girls. The leaders chosen for this forward movement were:

President	Timothy Mahoney
Vice President	Vicki Hultberg
Secretary	Virginia Peterson
Treasurer	Stephen Pachol

The sophomore class has supported several school activities in its move forward, promising to be one of the best classes of the school. The Sophomore Class Council, made up of homeroom representatives and committee chairmen, met throughout the year choosing committees, planning activities, and determining class policies. The pep song and the serious song committees worked very hard to furnish words for the class song.

The colors red and white, along with the white carnation, were chosen as our class symbols.

On May 13, the sophomore class had a party which was a big success.

In its forward movement the class of 1962 hopes to achieve even more success than that which it has already attained this past year.

Virginia Peterson, Secretary

JUNIOR CLASS HISTORY

The Class of '61 began its junior year at Jamestown High School with the election of class officers. Chosen to lead our class during the year were:

President ----- Joan Canfora
Vice President ----- Kathy Parasiliti
Secretary ----- Patricia Payne
Treasurer ----- Donald Melquist

After class dues were paid, we had a balance of \$715.37 in our treasury. Our class consisted of 258 girls and 211 boys.

The Class of '61 sparked the idea of a class bulletin and we were the first to publish one. It was appropriately titled **Confidential '61**.

The oval-shaped class ring has been an unfamiliar sight at J.H.S. in the past years, but the Class of '61 chose this style for their ring. We became the first class at J.H.S. to order class rings for delivery in the spring of its Junior year. 337 students took advantage of this and ordered their ring in February.

The Junior Class will be represented abroad this summer through the A.F.S. program. The four finalists for this honor were Nancy Wade, Margery Carlson, Joan Canfora, and Ken Weidaw. Margery Carlson was chosen.

Since 1921 the Junior Class has been represented each year at the Charles E. Hall Debate. This year proved to be no exception and the junior debaters, Margery Carlson, Mary Alice McCanna and Michael Kelly once again battled against the seniors in this event.

This past year has been very eventful for the Class of '61. We have taken a big step forward in preparing ourselves for a tremendous responsibility: "In our hands, the care of the future."

Calendar of the year:

February — Junior Class Party

April — A.F.S. Dance

May 14 — Junior Class Play "Pygmalion"

May — Junior-Senior Reception

June — Charles E. Hall Debate

STUDENT COUNCIL

The Student Council has successfully completed its second year as the student government at J.H.S.

Every Monday in Room 315 a group of 37 students and four faculty advisers meet to discuss happening concerning J.H.S.

The council conducted a cafeteria survey and prepared a handbook for sophomores and new students. The City Recreation Department offered to help the Student Council in preparing rec dances. Money-making projects included the April Fool's Fair and the sale of red and green pompons and buttons.

Our Student Council belongs to District 15 which has two meetings a year. Last year two students from J.H.S. were elected district officers. They are Dick Sorce, president, and Marcy Munson, secretary. Carolyn Taft attended the State Convention at Syracuse University. There the progress of our Student Council was rated remarkable because of its short existence.

Our Student Council has proved by its efficiency that it is capable of improving the standards of J.H.S.

JHS BAND IS THIRD IN STATE

The Jamestown High School Band under the direction of Mr. Charles Jacobson practices daily from 2:20-3:10. There are 100 members. This year they placed third in New York State at the state-wide Marching Band Contest in which 45 bands participated, at the New York State Fair, September 4.

The band exhibited many new types of marching techniques during the half times at all the home football games, and also at Bradford; in addition, they featured the Tapettes, a newly formed dance unit.

On October 23 the band presented a marching demonstration at the Western Zone Teachers' Conference at Buffalo, New York.

New uniforms were first worn October 17, at the Olean-Jamestown game. The uniforms were purchased through the help of the Music Parents, the Board of Education, and Band Tag Days.

A Christmas Program was presented December 16, with the band participating.

Junior High concerts were held for assemblies at Jefferson, February 10, and Lincoln, May 4. The band presented a concert also at a JHS assembly March 3.

On May 6 and 7, the band traveled to Fredonia for the annual Spring Music Festival. Here the band entered into competition with bands from all over Western New York.

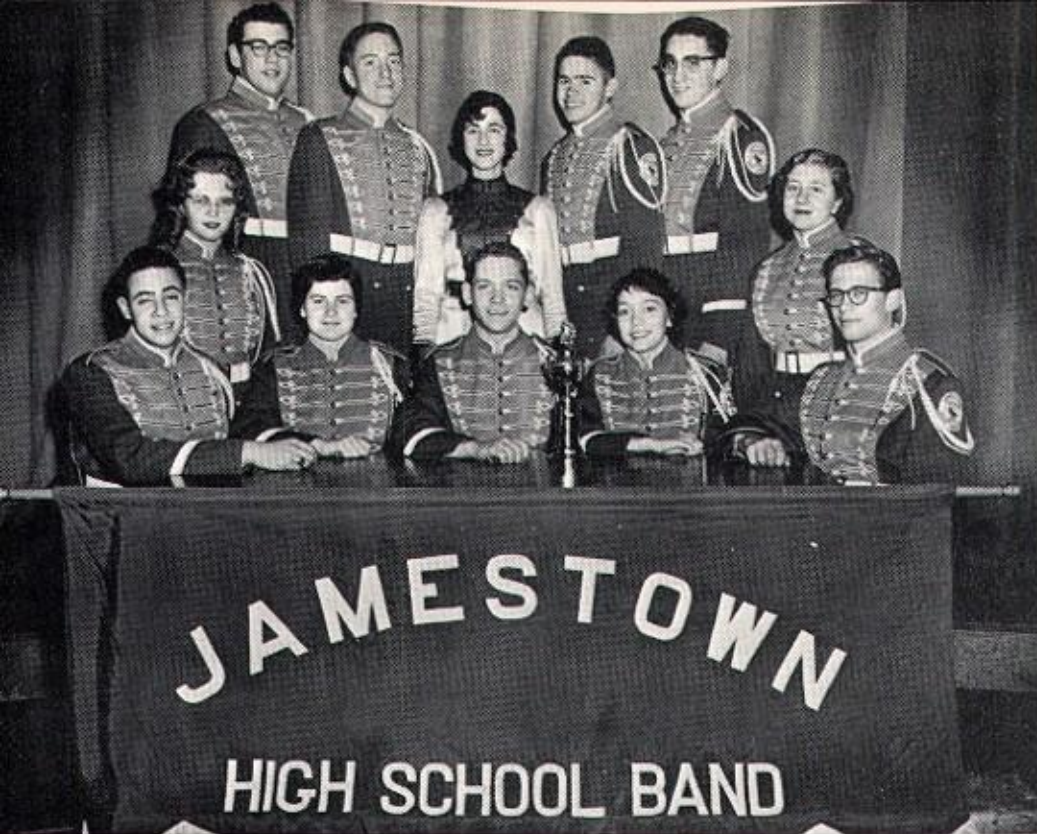

Two concerts were held this year, on March 12 and May 25. The latter featured Bill Page, a woodwind performer with the Lawrence Welk Orchestra. Proceeds from both of these concerts were used to defray expenses of the concert tour to Toronto, Canada.

The band again participated in the Memorial Day Parade May 30; and on June 4, many band members participated in the All-County Band at the Chautauqua County Music Festival.

The band officers for this year are:

President	Gary Brocklehurst
Vice President	Paul Kidder
Secretary	Joan Canfora

Varsity Band Begins First Year

This year a Varsity Band, consisting of 30 members, was formed under the direction of Mr. Charles Jacobson.

The Varsity Band participated in the Christmas Program, December 16, and in the Tag Day concert, January 28. It was also included in the two main concerts on March 12 and May 25.

No officers are elected from this group, which includes players not in the concert band.

Dance Band Takes On Professional Air

Any Wednesday after school, the sweet, swinging sound of the J.H.S. Dance Band may be heard from the school cafeteria.

Now in its fourth successful year, the group rehearses and studies music in the modern dance idiom, using special arrangements written for high school dance bands. In addition to the study of rhythms and problems involved in dance music, the J.H.S. Dance Band has performed for various club activities of the school, including Pep Club, Yorker Club, and the Homecoming Dance.

On May 25 they appeared in the second of the two Spring band concerts with Bill Page (a talented member of Lawrence Welk's band) as guest soloist.

Manhattan Trip Highlights Season

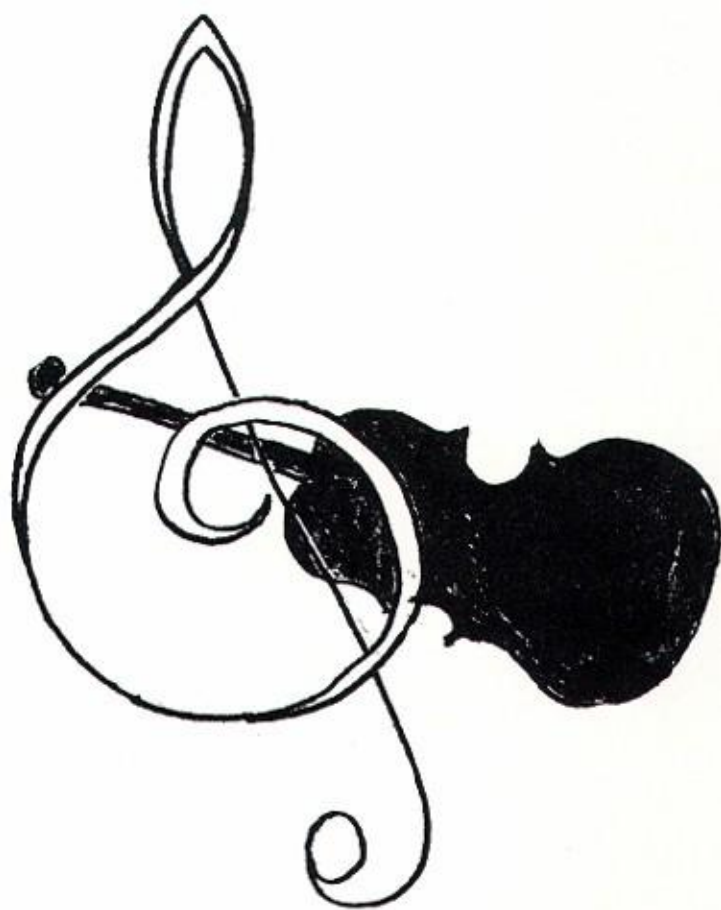

The highlight of the year's activities was the Orchestra-A Cappella trip to New York City. Enroute at various schools in Pennsylvania, and while in New York at Long Island University, both groups performed. The trip proved very interesting as well as educational.

The Orchestra held its annual spring concert on April 9. Because this concert, the spaghetti dinner of February 15, and other fund-raising plans were successful, members were able to take the trip to New York with the A Capella.

In November, several members participated in the All-State Sectionals near Buffalo, and in December, the orchestra contributed three numbers to the Christmas program. Later in the year, the Orchestra gave concerts at Lincoln and Washington Junior High Schools. Because the orchestra is becoming more noted for its exceptionally fine music, the group will compete for a rating at the Competition Festival in Fredonia in May. At Chautauqua in June, the members will participate in the Chautauqua Festival Orchestra which is made up of various orchestras from the county.

Choruses Display Fine Spirit

This year, the Sophomore Girls Chorus met under the direction of Mr. Donald B. Bube three times a week during the sixth period. They performed in a Christmas program with the A Capella and the Sophomore Mixed Chorus singing the "Hallelujah Chorus", "White Christmas", and "Gesu Bambino". The group also appeared in the Spring program on May 10.

The Sophomore Mixed Chorus rehearsed during period 3, the boys five times a week and the girls three. In the Spring program, numbers including "I Wish I Wuz", "The Birth of the Blues", and "That's the Idea of Freedom" were presented. The program also included "Oh Dear, What Can the Matter Be", "The Winter Song", and "The Whiffenpoof Song".

In these groups has prevailed wonderful spirit which was demonstrated through the fact that they sold 2200 bars of candy to help the A Capella raise enough money for their New York City trip. The A Cappella is deeply grateful for this aid.

Of this group, approximately 30% gain entrance into the A Capella Choir after trying out.

The Glee Club performed with the orchestra and band in the Christmas program. At this program they sang Benjamin Britten's "Hodie Christus Natus Est" and sang it beautifully. April 7 they performed with the orchestra in the Spring Formal. At their own Spring Formal May 7, they sang the popular songs "On the Street Where You Live", "Get Me Tto the Church On Time", "I've Grown Accustomed To Your Face", and "I Could Have Danced All Night". Along with the A Capella they sang "The Birth of the Blues" by Ray Henderson, "I Wish I Wuz" by Lyn Murrv, "Oh Dear! A CAPPELLA SINGS

The Jamestown High School A Cappella Choir, which is composed of 110 juniors and seniors, has had another successful year. Rehearsing under the direction of Mr. Donald B. Bube every fourth period and often at 8:00 o'clock in the morning, members have gained a much greater appreciation of music.

During the Yuletide season, the A Cappella performed at several service clubs including the Lions, B.P.W., Zonta, and Rotary. Marching to the traditional processional "Kyrie Christe", the choir inspired many through its art of choral music. Three Vesper Services, presented in the First Presbyterian Church, were very well attended.

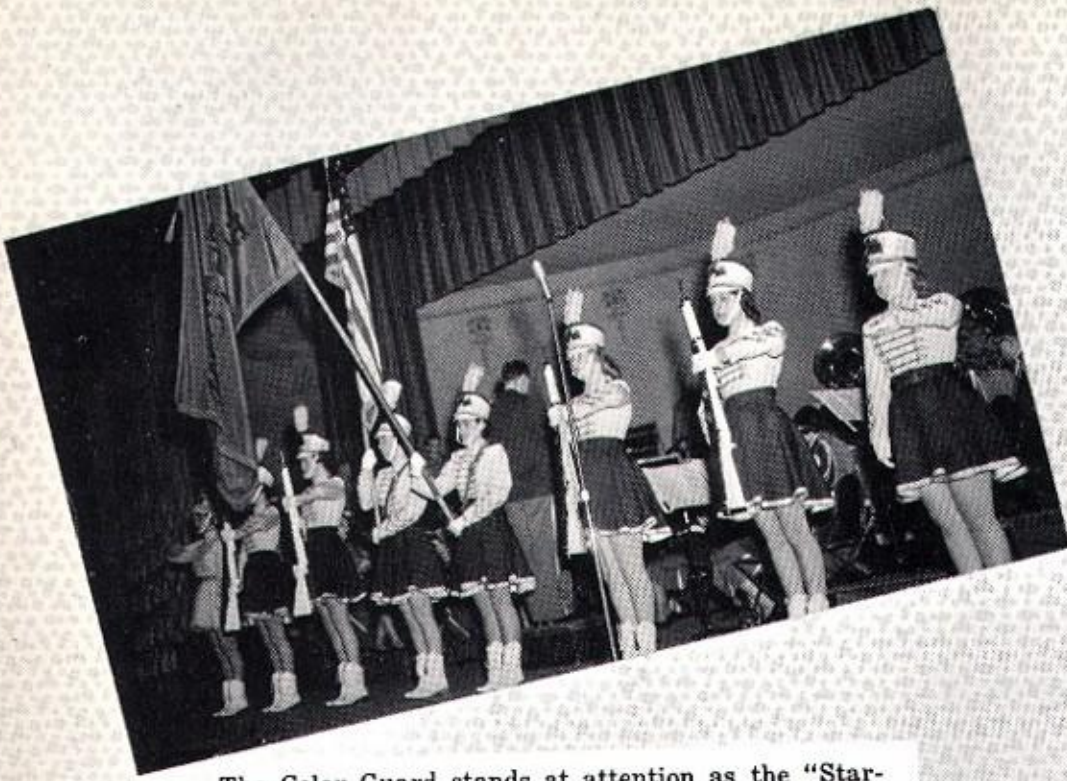

Members conducted an enthusiastic candy sale during the month of February raising \$2000 for a trip to New York City which was taken in the middle of April. Among appearances on the trip was at Long Island University where an enthusiastic audience received them.

Again, this year, the Choir members appeared in their red and white robes. Twenty new robes and a new set of risers were purchased by the Music Parents Association.

In the Spring, A Capella offered the community several opportunities to enjoy music. The Choir performed at the Spring concert, at JCC Commencement exercises, and for the Commencement and Baccalaureate exercises in the High School. The best in choral literature, such as Randall Thompson's "Alleluia", Ralph Vaughn Williams' "O How Amiable", "Missa Brevis" by Buxtehude, and "Five Folk Songs" by Brahms were presented among other numbers.

"Sabrina Fair", a sparkling comedy by Samuel Albert Taylor, and considered a theatrical triumph, was presented to an appreciative audience by the class of 1960.

The entire play took place in the patio-terrace of the Larrabee home, located on the north shore of Long Island. The hilarious Linus Larrabee, played by Donald Sundeen, added comedy to the play by his eccentric hobby of going to funerals. The role of Maude Larrabee, who nobly rose above the shock of discovering that the chauffeur's mousey daughter, Sabrina, after five years in Paris, had changed into a fascinating young woman who won the heart of her eldest son Linus, was portrayed by Carolyn Taft. Ann Marie Olson contributed many excellent comedy lines as she portrayed Julia Ward McKinlock, successful editor of a women's fashion magazine and close friend of Maude. Sabrina Fairchild, the chauffeur's daughter, whose sparkling personality and love of life was so evident on her return from Paris, was superbly performed by Susan Broadhead. Alan Peck, male lead, did a magnificent job portraying Linus Larrabee, Jr. David Larrabee, excellent played by William Price, competed with Linus for Sabrina's love. The senior class was fortunate to have its foreign exchange student, Nelson Kirst, portray the role of the Frenchman, Paul D'Argenson.

Other roles were filled by Pamela Everett as the maid; Millicent Hart as Gretchen, ex-wife of David Larrabee; Robert Hedlund as Tom Fairchild, the chauffeur, who secretly had become a millionaire. A young woman, a young man, and a girl and a boy of the social set were colorfully portrayed by Sharon Hultberg, James Dracup, Carol Joy and Peter Dickson.

Minstrel Show Displays JHS Talent

"Minstrel Follies", presented by Thespians on December 12 in the Merton P. Corwin Auditorium, offered a wide variety of JHS talent.

This production was in the form of an old fashioned minstrel show, complete with interlocutor, end men, and various acts.

Jeffrey Marsh was interlocutor, with end men Dennis Brocklehurst, Joseph Calabrese, Joan Canfora, George Purpura, and Vice-Principals Rolland Taft and Robert Wilson. The end men added a humorous touch to the show.

Among the acts were a Girls' Barbershop Octet composed of Susan Broadhead, Judy Donelson, Julie Erickson, Pamela Everett, Millie Hart, Linda Nordine, Jane Peterson, and Carolyn Taft; Paul Bendo and Donald Sandy in an accordion duet; Nancy Bauer, Peggy Kibler, and Carol Kosinski as the Squire Sisters; Mary Cangialosi, twirler; the C-D Three: Sam Comerate, Donald Cornell, and James Dracup; Millie Hart, song; the Tapettes: Connie Calamunci, Connie Ciancio, Kathy Hastings, Peggy Kibler, Marilyn Parasiliti, and Carol Rosedahl; the JHS Dance Band directed by Frank Smeragliuolo; Marilyn Parasiliti and Terry Pollack dancing the Scrub Bucket Blues; Poll Parrot and his Fine Feathered Five; Robert Hedlund and the Three Notes: Franklyn Clark, Larry Ryan, and Bill Sprigg.

The "End Men", Dennis Brocklehurst, Joan Canfora, and Joe Calabrese keep "Minstrel Follies" moving.

It was given a rating of excellent on its presentation. This play was also given for J.H.S. students as an assembly program on March 16. In May, the Pretenders are going to Alfred to give another play of this type.

Under the direction of Mrs. Shultz this year, the Pretenders have been striving for their goal which is to better themselves in the dramatic art and to keep the dramatic interest alive. To reach this goal they have been presenting one act plays for the criticism and help of their fellow members. They also maintain a bulletin board to keep the student body informed of activities in dramatics.

HYPATIANS LEARN BY LISTENING AND DOING

Many interesting and enjoyable activities have made this year successful for Hypatians, a JHS public speaking organization. It is strictly a girls' club which has about forty members, all of whom qualified for admittance by giving short extemporaneous speeches on a subject of their choice.

Business meetings interspersed with public speaking have been held every other Wednesday afternoon in Study Hall 144. One of the duties of the members is to act as chairmen for varsity debates when they are needed. The members have also enjoyed several supper meetings with guest speakers Marsula Munson, who reviewed her trip to Greece, and Ann Olson, who spoke on her experiences at Girls' State.

This year also has seen the addition of a new money-making project. Several very successful bake sales in the front hall of the school have been held during the year. Receipts totaled over thirty dollars from this project. The club also sponsored a dance which was held in March.

As the yearbook goes to press, the group is planning a traveling supper, which will be held soon, and a senior banquet for the close of the year.

Juniors Challenge Seniors For Debating Laurels

Springtime marks the time for many traditional events, and perhaps the most exciting of these is the Charles E. Hall Debate, which is held annually as a memorial for the son of Mr. and Mrs. Frederick Hall who died while in his senior year at J.H.S.

At this time, the juniors challenge the seniors to a match of wits and logic, and the victor receives the traditional silver cup. Tryouts are held, at which time a faculty committee selects the students who will comprise the opposing teams. Debaters who have worked together during the year to defend the honor of their school now become rivals and strive only for their classes. The friction between the upper-classmen is keen at this time and is climaxed by the actual event, which is held in the Merton P. Corwin Auditorium.

This year's debate, marking the 38th year of its occurrence, was held on June 1, 1960. The senior team was composed of Carol Joy, Ann Olson, and Brian Sisak, with Bill Price as alternate. Defending the honor of the junior class were Margery Carlson, Mary Alice McCanna, and Michael Kelley, with Scheryn Sprinchorn as alternate.

The topic, as in past years, will deal with either a national or local subject.

Seated: Carol Joy, Margery Carlson; *Standing:* Brian Sisak, Ann Marie Olson, Mary Alice McCanna, Michael Kelley.

First Row: Mary Dain, Carol Eaton, Joseph Bowman, Sue Allenson, Anne Marlette, Tyler Swanson, Jane Swanson, Sandy Haskins; *Second Row:* Sandra Rosell, Dale Johnson, Barbara Godfrey, Monica Moden, Laura Riddle, Kathleen Stapleton, John Malmstrom, Sally Hrdenburg, Becky Nickerson, Elaine Erickson, Duane Pennells, Miss

NOVICES PREPARE FOR N.F.L. HONORS

Again this year, many able sophomores were engaged in the pursuit of forensic proficiency and, under the leadership of Miss Rosalie Iacovetta, their new coach, these ambitious students began their preparation for membership in the National Forensic League.

During the autumn, these debaters studied the field of education, which was this year's topic, and traveled to Buffalo and Rochester, as well as to Southwestern Central School, to gain experience in inter-scholastic competition. This, however, was not their only activity. A great deal of the credit for the success of Varsity Debate Club's Pancake Supper and Christmas Tree Sale belongs to them and their competent aid.

The coming of Spring saw many "tourneys" for these debaters, and also many victories. On February 27th the team composed of Ann Marlette, Sally Hardenburg, Andrew Turkovich and Leonard Faulk swept the sophomore division at the Siena College tournament in Albany, N. Y. This was their first big trophy.

Again, on March 12th, the sophomores spoke proficiently and, along with the experienced team, received the first place award at Frewsburg, N. Y. The experience gained at these and other meets will enable our newest speakers to achieve even greater glories in the coming year.

VARSITY DEBATE HAS ACTIVE YEAR

Varsity debate is composed of approximately thirty members who meet every Tuesday afternoon at 3:10 o'clock in room 302 to plan debates and money-making projects.

Members have made speeches for several city organizations such as American Legion and City Council. Members have also traveled to many cities in the East to debate.

Because trips taken by the debaters are very expensive, several money-making projects have been carried out. Among them was a pancake supper, a very successful Christmas tree sale, a Christmas card sale, and the sponsoring of two travelogues, one about Canada and the other about Sweden.

One of the major projects of the varsity debate society was the Tri-State Debate Tournament which was held on April 30. Debate teams were present from several states as far as Illinois.

The topics which have been debated this year are:
 Resolved: That the recommendations of the Conant Report for secondary education in American be adopted.
 Resolved: That there be a substantial increase in federal regulation of labor unions.
 Resolved: That section 14B of Taft Hartley be repealed.
 Resolved: That the advertising industry has become an evil influence in society.

JOURNALISM CLUB WRITES WEEKLY PAGE

Stories in by Tuesday! We need a picture! Typist!

These were typical phrases heard in Room 311 every week as the Journalism Club worked on its weekly page in the **Jamestown Post-Journal**. The page, written and edited by the 35 members of the club, contained news of JHS.

During this second year of publication in this form, the size of the page was made smaller and the cartoon formerly occupying the bottom of the page was dropped.

In addition to the production of the weekly page, some members also attended four press conferences during the year. They were held at D'Youville College in Buffalo, Syracuse University in Syracuse, Columbia University in New York City, and St. Bonaventure University in Olean. Dennis Pritchard, a 1959 JHS graduate, received first place in feature writing in the Syracuse University contest.

The club visited the **Post-Journal** offices to observe the activities of a daily newspaper, and also held several bake-sales to raise money.

Heading the staff this year were:

News Editor	Sharon Hultberg
Club Editor	Karen Louise Kinne
Feature Editor	Barbara Hansen
Sports Editor	Sharon Kelley
Picture Editor	Barbara Lundine
Copyreaders	Pat Anzideo, Cynthia Rydell, and Susan Newgreen

THE STAFF HOPES TO PRESERVE MEMORIES

To present an annual of distinction, to record faithfully the past year's activities, to reflect the good taste of the JHS student body . . . these are the tenets to which the RED AND GREEN staffs have dedicated themselves.

Following the trend of better yearbooks, the staff ordered a hard instead of a padded cover, discarded some outmoded proposals, for example, the inclusion of a prophecy, a will, and baby pictures. Also, this annual omits a dedication, not because the staff does not appreciate the help of its class adviser, but because dedications are considered obsolete.

The senior section is to be found in the later pages in order to show the sequence from sophomores to seniors, with graduation the ultimate goal. Thus, the reader will see a few changes and it is the hope of the staff that the reader approves.

BUSINESS STAFF WORKS EFFICIENTLY

The Business Staff with John Lincoln as its manager can be justly proud of the way the business and financial affairs were handled. Since the Chamber of Commerce, in lieu of advertising, pays one dollar for every graduating senior, the staff does not sell advertising.

There are, however, other necessary jobs taken care of by the staff members, such as planning and carrying out the sales campaign in November, scheduling and identifying the group pictures in February, and distributing the book in May.

Twelve hundred books were sold, at a cost of three dollars and twenty-five cents each. The American Yearbook Company was the publisher.

On November 20, members of *Red and Green* hand in money to Business Manager John Lincoln for yearbooks they have sold.

KEY CLUB SERVES

Key Club is composed of male representatives from all school organizations and is affiliated with the Kiwanis Club. Each Thursday, two Key Club members attended the Kiwanis Club luncheon at the Hotel Jamestown.

Baskets were distributed to the needy at Christmas by Key Club members and a dinner for the custodian staff was held. They also collected tickets at home basketball games, parked cars at the Chautauqua County Teachers' Conference, and polished the trophies in the front hall. In February a panel composed of Key Club and Kiwanis members took part in a current-events quiz which Key Club won. Representing Key Club in this discussion of national and world affairs were David Kling, Alan Peck, Michael Kelley and Brian Sisak. Together with J-Club, Key Club sponsored the student-faculty basketball game on March 18. Home-room 208—Mike Burns, Jerry Moynihan, Buzzard Paterniti, Seb Paterniti, Bill Price, Ed Raner, Jack Rizzo, and Ned Swanson—lost to the faculty by 12 points.

The results of the city's March of Dimes campaign were tabulated by members.

HI-Y MEMBERS ATTEND

Hi-Y is a club affiliated with the national Hi-Y organization. The purpose is to "create, maintain, and extend, throughout the home, school, and community high standards of Christian character."

In the fall, the Alpha and Beta Chapters held dances after the home football games on alternate weeks at the YMCA. Among their other activities were combined meetings of Hi-Y and Mi-Y, a splash party, hayride, filmstrips, and an alumni dinner.

Don Sundeen, delegate from Alpha Chapter, John Cramer and Brian Sisak from Beta Chapter attended the New York State Hi-Y Assembly at Albany, December 10-12. Here bills concerned with New York State law were presented and voted upon.

Jon Cramer was also Jamestown's representative on the Board of Governors at the Youth Conference in Lockport, April 29-May 1, which several other members also attended.

Beta Chapter elected the following officers:

President	Jon Cramer
Vice-President	Dick Cotten
Secretary	Fred Hitchcock
Treasurer	Gary Olson

MI-Y PROMOTES CHRISTIAN FELLOWSHIP

The Mi-Y Club meets every Monday night at the YWCA to build a Christian fellowship among girls by combining fun and service.

As a community service project, the club made stuffed animals to give to the Cerebral Palsy Clinic.

During the year there were several money-making projects. The club sold cans of nuts to send representatives to the summer Y-Teen Conference at Keuka College, Keuka Park, New York. These representatives were chosen according to their responsibilities and interests in the club. Representatives from New York and northern Pennsylvania will attend this conference.

In March, sponsored by the teen-age department, the Mi-Y Club, which had charge of the snack bar and fortune telling booth, took part in the Beatnik Carnival.

One of the most exciting events of this year was the National Y-Teen Conference held in New York City and Washington, D. C. Two local club members, Karen Barker and Linda Malmberg, attended this conference last November along with the teen-age director of the YWCA, Mrs. Marilyn Carlson.

The Mi-Y Club also joined the Hi-Y Club in various activities including the annual Palm Sunday Sunrise Service held at the YWCA.

YORKER CLUB ACTIVE THIS YEAR

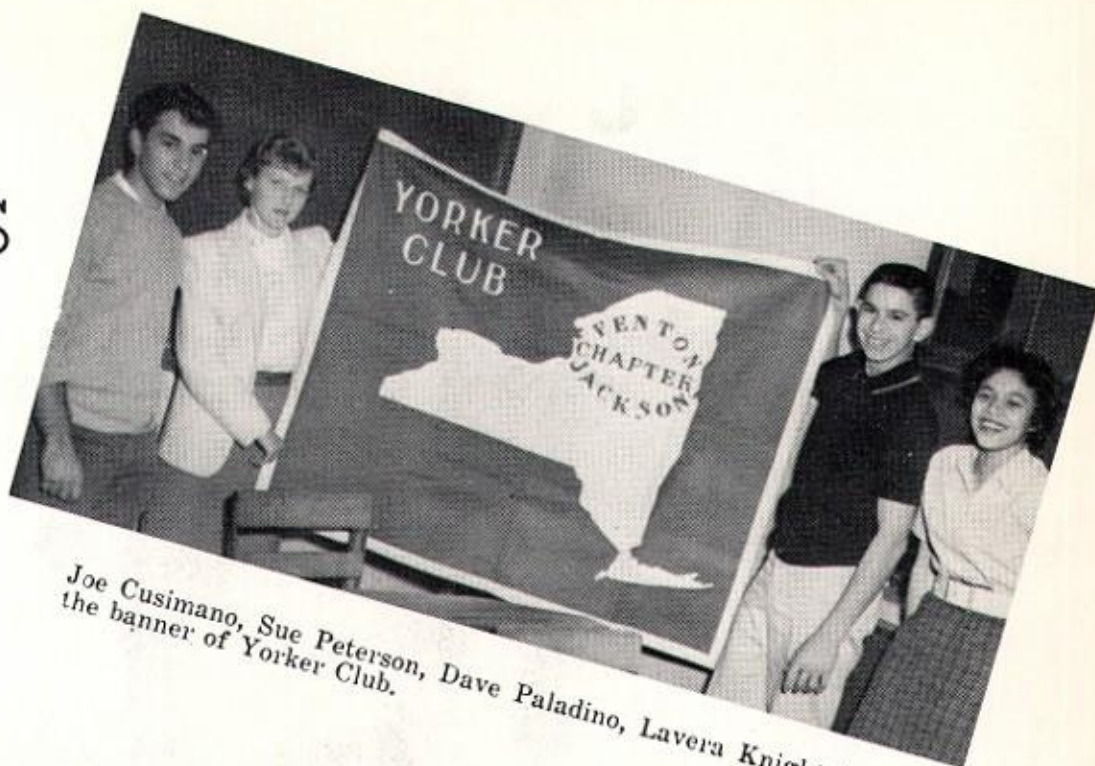

As in the past, Yorker Club was again an active school organization. The club, which studies New York State history, met weekly in room 312 under the direction of Mr. Turnbull.

This year the club went on a tour of several places of interest in the Buffalo area. This tour included the Buffalo Historical Museum, and Tussaud's Wax Museum in Canada. This trip, very interesting and informative, was enjoyed by all the members.

One of the projects for the year was to complete the club banner, designed and started by Club members last year. The banner of red background with stitched white map of New York State and pasted white lettering is attractive; Nancy Nelson deserves much credit for its finishing touches.

To raise money, the club held a dance in the gym and also a bake sale in the front corridor.

A few members attended the April 9th Regional Buffalo Conference. Club members have enjoyed this past year in the study of New York State history.

French Club meets in room 218 every other Monday to interest its members in the culture of France.

During the year the members contributed \$5 to "CARE" for a French-speaking family. They also learned several French games, songs, and customs.

The club had a Christmas party in the cafeteria accenting the customs of France. They had Christmas tree cake which is the traditional cake of France. They also sang Christmas carols in French and played French games.

Mr. Connor gave the club a lecture on his stay in France when he attended school there. Jean-Pierre Ludwig, the French foreign exchange student, also spoke to the club.

The members of this club have learned many things about France through their membership and have had a wonderful time doing it.

Los Amigos de Espana meet every Tuesday in room 314 to gain information about Spain and the Spanish language. Several speakers gave talks about Spain during the year. Mrs. Carmen Lydell from Colombia, South America, and Nelson Kirst, our foreign exchange student from Brazil, spoke to the club. Slides were also shown of France and Spain.

The club members held a dance in the school gym and also a bake sale from which they gained \$60 for their treasury.

Spanish Club joined French Club for "International Night" in May, at which time they held a dance.

Although the club was small this year, the members were very active. Through the club they have gained information which would have been impossible to learn in the classroom.

Members put their knowledge into practical use.

RADIO CLUB KEEPS STUDENTS INFORMED

Every Monday, Wednesday, and Friday at 8:40 the Radio Club starts off the morning announcements with some popular theme music and with "Good morning! It's time for your morning announcements." Thus the Radio Club provides an important school service. The high school radio station WJHS helps members to get valuable experience in radio broadcasting.

The Radio Club is responsible for the music in the cafeteria during the lunch periods and also helps with assemblies by playing music and producing sound effects.

The Radio Club provides music for many of the basketball dances after the games. In addition, some of the members disc-jockey for hops and dances sponsored by many of the school organizations.

STAGE CREW PERFORMS MANY SCHOOL SERVICES

Although few students know about it, the stage crew performs many school services. Besides work for assemblies, it works closely with the dramatics department in the staging of plays. In addition, the stage crew designs and builds the scenery used in the plays.

Lighting in the gym for dances has also been supplied by this club. Many school organizations are grateful for the help the stage crew has given them during their concerts or special events.

Stage Manager ----- Gary Ahlgren
Assistant Stage Manager ----- Raymond Oljeski

IS TEACHING FOR ME

"Is teaching worthwhile? Is it for me? What are its advantages and disadvantages?" These are but a few of the questions that members of F.T.A. have found answers to this year, for the club's purpose is to acquaint young people with the opportunities, responsibilities, and satisfaction of the teaching profession.

This year the club is under the sponsorship of Miss Rosella M. Agostine. All the meetings have been in the form of tureen suppers in the cafeteria on the third Tuesday of each month. Membership has reached 165, the largest number in the history of Jamestown High School's FTA, and by far the largest in the state.

Some of the "red letter" programs included a talk on personality by Miss Emma Jean Newby, a talk by Miss Gretchen Sander and Dr. John D. Voltman on physical fitness, and a panel discussion on the various fields of teaching, such as English, science, and business. At a February meeting, the panel consisted of teachers from the special fields: art, music, health education, business, library, physical education, guidance, and special education. Field trips to a few of the teachers' colleges were organized also.

One of the most valuable activities of the club was the "teacherette" program which enabled students to observe and assist in an elementary or junior high school class for one day. This serves as an excellent way to determine whether or not a student wishes to pursue the occupation of teaching.

As in previous years, Future Nurses once again participated in the Easter Lily Drive for Crippled Children. A contest was held between the juniors and the seniors, dressed in their bunny suits, to determine who could collect the most money. The senior chairman was Hazel Batt; the junior chairman was Kathy Branstrom. The winning group received a prize.

This year, under the guidance of Miss Lois Saunders, the club made a tour of the W.C.A. Hospital and School of Nursing. Among other programs enjoyed by Future Nurses was a talk on the professional nurse and types of training schools by Miss Lucille Baker, director of W.C.A. Hospital School of Nursing; a film on the life of a Navy nurse, given by Miss Anna Byrnes, U. S. Navy Nurse recruiter; a talk by Mrs. Daisy Broadhead, a laboratory technician at Jamestown General Hospital, on the role of a technician; and a talk by Mrs. Glen Noyes, a Red Cross nurse, on the Red Cross nursing program. The group also viewed the film, "The Keeper of the Lamp."

Another activity that the Future Nurses participated in was the making of favors for hospital trays at Thanksgiving time and at Christmas time. At Christmas time, the club had a tureen dinner for its members, and in March a banquet. Thus, another successful year for the Future Nurses of America has been completed.

Officers:

President	Kathy Olander

THEY TACKLE PROBLEMS WITH ZEAL

Resolve into partial fractions $\frac{x^2+12x+3}{(x-3)(x^2-1)}$
 You think this is easy? One could have seen members of Math Club solve this problem and many others like it, while looking into Room 214 almost any Friday after school.

Students, having successfully passed elementary algebra, geometry, and intermediate algebra, and interested in determinants, the factor theorem, statistics, and other forms of college mathematics, could qualify for membership in Math Club.

Mr. Black, the founder of the club and also its instructor, showed the members throughout the year many advanced mathematical systems dealing mostly with the theory of equations.

Kenny Johnson, Joseph Calabrese, Frank Hurst, and Bernard Jensen work out a problem at a meeting of Math Club.

The Distributive Education Club adopted a constitution and became a club in the fall of 1959. This new and active club promotes education in the retailing and merchandise fields of business.

The D. E. Club has two meetings a month on Wednesday at 3:15 p.m. One meeting is a social meeting; the other is a business meeting. Later in the year the club plans to show several movies, one of which is "Career Calling."

During the Christmas season, the D. E. Club gave toys to the Salvation Army. In the spring, the D. E. Club sponsored a supper at which time eminent men and women gave talks about their occupations. The D. E. Club also sponsored a basketball dance on January 29 of this year.

JUNIOR RED CROSS COUNCIL PACKS GIFT BOXES

Every homeroom has one representative in the Junior Red Cross Council. Again this year the council, under the co-chairmanship of Margery Carlson and Karen Barker packed gift boxes to be sent overseas. These boxes were filled with donations for health, education, and fun for the needy children in foreign lands. Some of the articles packed were pencils, erasers, tablets, tops, and marbles. Sent through the National Red Cross Headquarters in Washington, D. C., these boxes will represent Jamestown in some foreign country.

The response to the call for gifts was gratifying. Surely John Donne was right when he said "No man is an island, entire of itself," but that "every man is a piece of the continent, a part of the main." The representatives who worked on the council realize full well this meaning of interdependence as they sought to understand the goals of the Junior Red Cross and to work effectively for the benefit of others.

CHEERLEADERS ARE VIVACIOUS

At this time of year when we look back on the past year with feelings of pride and nostalgia, we think of many things, but probably most of all we remember the spirit promoted at our games by the cheerleaders. The cheerleaders not only led, but joined the spectators as one being, cheering J.H.S. on to victory. They braved cold and rain to lead us in the cheers which mean so much to us and to our team.

They also are salesladies, for it was their job to promote and sell tickets before the games. These hard-working girls were to be found on Thursday nights practicing with Miss Sander, their coach. At home games, they were aided by the junior varsity cheerleaders, who were: Barbara Wyberanec, Judy Johnson, Mary Dain, Merrilee Enlund, Cynthia Rydell, Barbara Bloomquist, and Sue Stewart.

This year the varsity cheerleaders, Kathy O'Block, Marcia Marchiando, Patricia Jensen, Sue Loop, Kathy Parasiliti, and Yvonne Carlson, were invited to the football and basketball banquets in recognition of their service. Students of Jamestown High School thank and congratulate these heroines of sports.

PEP CLUB WORKS FOR SCHOOL SPIRIT

The newly organized Pep Club has had a very successful year. It was organized this year for the purpose of promoting school spirit and morale. As a result of the efforts of the Pep Club, the spirit of JHS toward the school sports has been increased. This was quite noticeable in the increase of attendance at games throughout the year.

Under the leadership of Mr. McKenzie, Pep Club placed posters in the halls of the building prior to each game. Pep Club has had many ways of making money, for the members started to operate a checkroom at the basketball games and have been the sponsors of many dances throughout the year. This club has done an excellent job of making the students of Jamestown High School aware of the fact that a school should have students who are interested in the sports in which the school takes part.

The officers of the Pep Club for this past year have been:

Karen Blomquist	-----	President
Jonna Gane	-----	Vice President
Judy M. Johnson	-----	Secretary
Patricia Fusco	-----	Treasurer

Kneeling: Daisy Hodnett, Kathie Johnson, Julie Erickson, Maureen O'Pray, Arnita Johnson, Elaine Stark, Lesley Drake; *Seated:* Nancy J. Samuelson, Valerie Minati, Jonna Gane, Karen Blomquist, Judy M. Johnson, Patricia Fusco, Pamela Everett, Penny Erickson; *Standing:*

J CLUB PROMOTES SPIRIT

J Club is open to any boy or girl who has earned a varsity letter. This year over 50 students were members.

Before the Warren-Jamestown football game, J Club sponsored a parade from Baker Park to the rear of the school where a gigantic bonfire was lit and the J.H.S. band played.

J Club combined forces with Key Club to put on the annual Student-Faculty basketball games where a good time was had by all. This year Homeroom 208 represented the students against a powerful faculty team headed by Mr. Wilson. The night of March 18 was definitely an exciting night.

CROSS COUNTRY TEAM MAKES SPLENDID EFFORT

The Jamestown High School Cross Country Team did not have one of its best seasons, but it gave its best. The Raiders placed third in a tri-meet with Silver Creek and Portville. At Buffalo, Jamestown placed second ahead of Kenmore and Amherst; the Raiders placed fourth in the Section VI AAA.

Cross country is a sport which calls for endurance and stamina. The person who is on the cross country team has to be in tiptop condition. The cross country course starts at the Jamestown Municipal Golf Course. It runs to the Hundred Acre Lot, around the stadium and back to the club.

OUTSTANDING PLAYER TO RECEIVE FOOTBALL TROPHY

Coach Walter Colburn's Red Raiders got off to a roaring start, trouncing Lasalle 26-6. The football team's record at the end of the season was 4 wins and 4 losses.

Next the Raiders traveled to Bradford. There they lost 32-6 to a powerful Bradford squad. Ronald Norgren scored the only Jamestown touchdown on a pass play.

In their next three outings Jamestown was at its best, beating Kenmore 12-6, Lackawanna 12-6 and Olean 18-0. The only shut-out of the season was the win over Olean.

Jamestown then was defeated by Niagara Falls 25-6, Dunkirk 7-6, and by the Warren Dragons 25-13 in exciting games.

Robert Whitehead and Charles Glover were elected 1959 co-captains. Robert Whitehead received Richard's Trophy, a new honor for a Raider football player. The trophy will be donated yearly by Mr. Mole, whose son Richard played football in J.H.S. in 1957 and 1958.

LOCAL SKI ENTHUSIASTS MAKE GOOD SHOWING

This year a ski team was added to the JHS athletic program. Mr. Andrew Tanaglos coached the 1959-1960 ski team through a successful first year season.

The team traveled to such places in the state as Old Forge, Belleayre, Lake Placid, and Allegheny, competing in slalom, downhill, jumping, and cross country events. In each meet the team competed against some of the best teams in the eastern part of the country. The Jamestown High School ski team was rated fifth in the state for the past skiing season.

Of the many events and honors received by the ski team, the most recent took place in Allegheny on March 6 when Dave Sanctuary skied in the John Chapell Memorial downhill race, taking first place. Also on March 6, Chuck Spera won the Alpine Ski Meister Ski Trophy on the Jamestown Ski Club slopes.

The most outstanding skiers for the boys were John Lincoln, Dave Sanctuary, Shuck Spera, and Chuck Ludwig. The top girl skiers were Kerrin Lindholm, Barb Anderson, Linda Brown, Linda Hardenburg, and Julie Bishop.

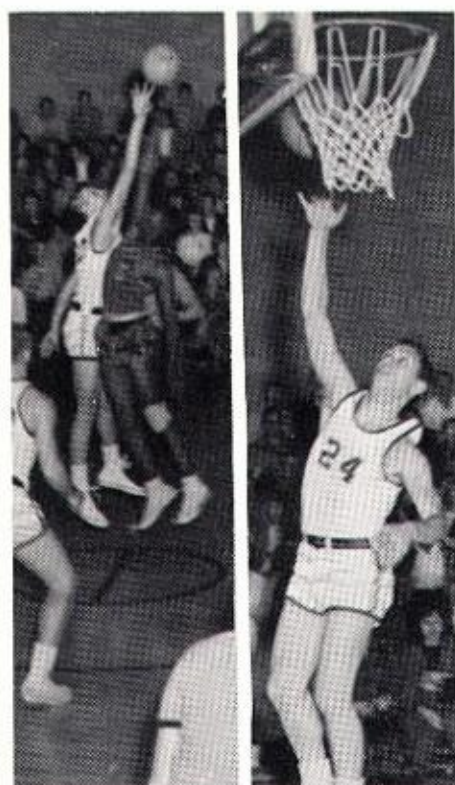

A distinct honor was paid to Dave Sanctuary and Chuck Spera when they were chosen as members of the 15-man New York State team, the competition being held in Sunapee, New Hampshire.

BASKETBALL TEAM HAS RECORD SEASON

The J-H-S "Red Raiders" enjoyed one of the finest seasons, percentage-wise, in many a year. The season's record was 15 wins and 3 losses. Included was a 10-0 record in winning the Lake Shore League Crown.

After an opening game loss to St. Vincent of Erie, the Raiders seemed to jell into a solid unit and won 9 games in a row before being dumped by Bradford. The remaining 6 games of the regular season were also on the winning side. Of great disappointment was the loss to Olean in the Bi-County Play-offs.

The season had many highlights, some good, some bad. In our first game, John Anderson was injured and was available only for part-time duty for the rest of the season. Tom Gill, the tall junior, replaced John and did a good job on the boards and in scoring. Joe Sali was our offensive leader and hit his high with a 31 point contribution against Corry. This tied the JHS individual scoring record. George Banks, Tom Carr, and Don Manno handled the back court duties, all of them doing an excellent job.

Sali and Banks were named to the Lake Shore All-Conference Team. Tom Gill was on the 2nd team and Tom Carr, Guy Fashano, and John Anderson received Honorable Mention.

Credit must go to the rest of the squad who made important contributions to the success of our season. Their work is usually overlooked by the newspapers and spectators but not by the coach. They were Dale Colby, George Daniels, and Dave Lundgren as seniors, and Chick Fasciana, John Williams, Don Melquist, and Bill Janowsky as juniors. The last four, along with Banks and Gill, will return to form the nucleus for next year's team.

SWIMMING OFFERS VALUABLE TRAINING AND RECREATION

Mr. Dale McCallum, YMCA athletic director and swimming coach, can very well be proud of the effort made by each member of the JHS swimming team. The team lost many of its veteran swimmers to graduation in June, 1959; however, a few experienced members returned, and a few others, Ned Swanson, John Marshall, Larry Hanson, and Fred Verry came out for the first time.

Four days a week, on Monday, Tuesday, Thursday, and Friday, for an hour after school, the boys could be found practicing in the YMCA swimming pool. They had the help and moral support of their coach, their captain, Arden Corey and, of course, their mascot, Cleo, the plastic fish.

The eleven-member team competed against Corry, Meadville, Strong Vincent, and Canisius High School. Arden Corey qualified for the final sectional tryout at Tonawanda.

Denny Ohlsson is about to dive over Arden Corey with Glenn Fisk and Pete Van Bever looking on. Peter Van Bever practices for the meet with Meadville.

JHS IS PROUD OF ITS BASEBALL TEAM

An enthusiastic group of boys signed up for baseball early in the 1959 season. The five seniors on the JHS Varsity Baseball team were: Ron Anderson, Louis Iannelli, Bob Enserro, Charles Ayers, and Denny Swan. Juniors were Don Brown, Corky Glover, Bill O'Neill, Joe Sali, Guy Fashano, Jeff Olson, Mike Costa, Gary Anderson, Barney Weldon, and Dave Canctuary. These were given a boost by George Banks, Don Melquist and Tom Gill from the sophomores. The juniors and sophomores from last year's team should provide a very successful season for 1960. Bill O'Neill threw the only no-hitter of the season, a 13-0 victory over Fredonia at the Stadium. The Red Raiders lost a heart-breaker in the playoffs at Buffalo at the hands of North Tonawanda 5-4 in extra innings.

TRACK TEAM WINS COUNTY MEET

The 1959 JHS track team was victorious over Fredonia, Northern Area, and Warren during the regular season. At the County Meet the Raider cindersmen walked off with a first place. In the Sectional Meet, Herbert Cunningham was the only Jamestown trackman to take a place.

Coach Joy's most consistent field events entry was David Chase in the broad-jump. Dave's fine jumping clinched a Raider victory over Warren in a dual meet.

The top runners were Joel Servoss, 100; Robert Payne, 220; Herbert Cunningham, 440; Dale Colby, 440; William Sprigg, 880; Edward Swanson, 880; and John Marshall, mile.

The nucleus of the team was made up of juniors and sophomores. The boys above plus many more promising boys will be under coach Donald Peterson for the 1960 campaign.

QUILL AND SCROLL CHAPTER CONTINUED

This year a chapter of Quill and Scroll, national journalistic honor society, has been continued at Jamestown High School.

Selection for membership in this organization is based on the following qualifications: (1) the candidate must have completed his sophomore year; (2) he must be in the upper third of his class; (3) the nominee must have done outstanding work in some field of high school publication; (4) he must be recommended by his adviser; and (5) he must be approved by the executive secretary of the society. Members of the Journalism Club, moreover, must have published at least 75 inches of copy.

Every two months, members received the magazine **Quill and Scroll**, a publication devoted to the study of journalistic methods.

Since Jamestown High School's chapter of Quill and Scroll is purely honorary, no officers were elected. Only one social event was held, that being a dinner in May at which time Quill and Scroll members were inducted.

Advisers of the organization are Mrs. Evalyn Paulson and Mr. Richard Stewart, sponsors of Red and Green and Journalism Club, respectively.

Quill and Scroll committee, Kathy Olander, Julie Erickson, and Randa Berg, plans the annual spring dinner and induction.

THESPIANS PERPETUATE THE DRAMATIC SPIRIT

The Thespians changed their pace a little this year and presented a delightful version of the old-time minstrel show, the "MINSTREL FOLLIES", on December 12th. The show was another triumph for the group, following two successful years of "IDOT'S DELIGHT."

On November 24 an informal induction for 13 new members was held.

Under the capable leadership of Mrs. Ellen Shultz, Troupe 364 journeyed to the Olean drama festival in January, and to the New York State Thespian Conference at Alfred University in May.

One student was selected from the twenty-two members for the award of "Best Thespian of the Year." Gold stars were given for each hour a student earned over the required number needed for membership in Thespians.

Jamestown High School's honorary dramatic society has completed another successful year with a banquet at the Colony Dining Room in April in honor of Mrs. Shultz.

Officers for the year were:

President	Carolyn Taft
Vice President	Joseph Calabrese
Secretary	Pamela Everett
Treasurer	Margaret Dandelski

Nancy LaDuke, Ann Marie Olson, Carol Joy, Bill Price, Don Sundeen, and Alan Peck, absent from school when the large group picture was taken, are included in this snap.

N.F.L. TRAVELS WIDELY

Under the sponsorship of Mr. Grey, the members of the National Forensic League, the honor society for debaters, traveled to many parts of New York State and out of the state. Debates were held in New York City, Albany, Rochester, Syracuse, and Toronto, Canada. At the Cortland Tournament, the semi-experienced debaters scored highly; at the Canisius Tournament, the experienced division excelled. Several individual prizes were won by the debaters, but the N.F.L. does not, itself, win prizes.

The N.F.L., which admits debaters on a basis of points, encourages the members in the art of public speaking.

It has been a profitable and active year for the members of this honor society.

ANOTHER BANNER YEAR FOR HONOR SOCIETY

Spurred by their motto, "Character, Scholarship, Leadership and Service," Honor Society carried out another successful year under the leadership of Mr. Carl Levin. As in other years, the members sold popcorn, pop, and ice cream at J.H.S. basketball games. In addition, a dance was held after one of the basketball games, and textbook covers were sold at the beginning of the year. The money earned from these projects went towards Honor Society's one big yearly project: a scholarship for a J.H.S. senior. The members also purchased a popcorn machine for use at basketball games.

There were no delegates sent to the district conference last year, but plans are under way for several juniors to attend this year.

Officers are elected each term. Officers for this year have been as follows:

Robert Whitehead	-----	President	-----	Frederick Hopke
Randa Berg	-----	Vice President	-----	Sharon Hultberg
Susan Broadhead	-----	Secretary	-----	Linda Nordine
Joette Vitanza	-----	Treasurer	-----	Joan Acker

ATE' LOGO

All of us at J.H.S. have had a very great privilege this year, that of knowing Nelson Kirst, our affable exchange student from Brazil. Nelson, whose home is Marcelino Ramos, in the far south of Brazil, is residing at the home of Mr. and Mrs. Harold White, Jr., during his stay.

Nelson's quick smile, pleasant manners, humorous speeches, and active interest in school affairs and American customs have endeared him to the entire study body. Our school life has been enriched by his presence and we shall be sad when the time for his departure is at hand; however, above all else, we are proud that Nelson will be graduated from Jamestown High School.

SONGS OF THE CLASS OF 1960

A Serious Song

Sixty, we hail thee, Class without an equal;
Loyally we pledge to thee our earnest heart's
devotion
All through our high school days, joined by friend-
ship's bonds,
We strive thy name to glorify.

Now far behind, the heedless days of childhood;
Fully we live each day, youth's golden moments;
Turning with eager eyes, toward the future's
promise bright;
We hold our outstretched hands.

Fling forth our banner, white and blue forever;
Not for ourselves our goal; for all, our best
endeavor;
Under our colors clear, thy sons and daughters now
go forth;
Ever to honor thee.

Tune—*Cornell Hymn*

Pep Song

Stand up and cheer for Sixty,
To thee we'll all be true.
We pledge our love and loyalty
To our colors white and blue.

Our motto is one we cherish,
"Not for ourselves but for all."
We are the class that tops the rest,
Sixty will never fail.
Tune—"Give My Regards To Broadway"

SENIOR CLASS OFFICERS

When our Class of 1960 entered J.H.S. in the fall of 1957, we had the distinct honor of being the first sophomore class at J.H.S. to be greeted by our new principal, Mr. Meade G. Anderson.

The materialization of our dreams began as soon as we became accustomed to our new environment. The first important business was the election of the following officers:

President	-----Dale Colby
Vice President	-----Carolyn Taft
Secretary	-----Kathleen O'Block
Treasurer	-----Robert Whitehead
Historian	-----Donald Manno

The first major effort of the Class of '60 was the sophomore reception, November 14. This annual event gave the students and their parents an opportunity to visit the school and to meet the teachers. The splendid response by the parents made this evening a gratifying one.

The class illustrated that it is civic minded by contributing food to fill Thanksgiving baskets for the less fortunate. The baskets were distributed by the Jamestown Family Service.

April 18 was the date of the sophomore class party held in the high school gym. A floor show was presented during the evening of dancing, eating, and fun-making.

The class chose the delphinium as its flower; royal blue and white as its colors; and "Not for ourselves but for all" as its motto.

Returning to J.H.S. in September, 1958, the Class of 1960 wanted to make this year as great as its last.

The first business was the election of the following officers:

President	-----Dale Colby
Vice President	-----Marsula Munson
Secretary	-----Pamela Everett
Treasurer	-----Robert Whitehead

Our class play, "Seven Sisters" was successfully presented on January 31, under the able direction of Miss Myrtle Paetznick.

Marsula Munson was chosen from the Class of 1960 by the American Field Service foreign exchange student program to represent the United States in Greece.

Carol Kaminski, Ann Olson and Alan Peck represented the Class of '60 in the traditional Charles E. Hall debate. Although defeated, the class was determined to win the next year.

CLASS HISTORY

Entering J.H.S. in the fall of 1959, the Class of '60 began to make their senior year a noteworthy one.

Dale Colby was chosen for the third straight year to lead the Class of '60 through its final year at J.H.S. The other officers included:

Vice President ----- Sharon Hultberg
Secretary ----- Linda Hardenburg
Treasurer ----- Ned Swanson

The Senior Class play, "Sabrina Fair," held on October 31 was immensely enjoyed by a receptive audience.

The Class of '60 hoped to present the Kingston Trio in a concert to raise money for the Senior Prom; however, the "Trio" was unable to comply because of previous commitments. The Class was able to feature the equally great Louis Armstrong in a jazz concert on April 18.

Other events on our senior calendar included the fitting of our caps and gowns, the Charles E. Hall debate, our senior class party, and the Senior Prom.

This year Nelson Kirst, the foreign exchange student from Brazil, was very active in our class. He shared with us interesting accounts of his life in Brazil and his thoughts on American life.

Near the end of our high school days, we have before us commencement. On that day in June we shall go our separate ways, but always look back to happy days at J.H.S.

Julie Erickson, Karin Carlson (hidden), Carolyn Taft, and Bonnie Bailey look exceptionally pleased on "report card" day. Seniors are measured for caps and gowns in February. Bernard Jensen, Frank Hurst, and Gail Hedstrom try them on for size.
